Thank you. We are delighted to have you with us this morning. Come back again. The next bill, Mr. Clerk.

CLERK: LB 769, Mr. President, introduced by the Speaker at the request of the Governor. (Read title.) Introduced on February 2, referred to Appropriations, advanced to General File. I have committee amendments pending, Mr. President.

SPEAKER BARRETT: Senator Warner.

SENATOR WARNER: Mr. President and members of the Legislature, this is the salary bill, again required by the Constitution to be a separate item for the constitutional officers, the executive and the judicial branch of government. The committee amendment, as a result of the public hearing, does reduce the appropriation for the Clerk of the Supreme Court and the Recorder of the Supreme Court, both of which were replacement and at the hearing the replacement of individuals who retired who left that office and their current salary would be at a lower level than those who had previously held it. It is a reduction of \$12,000 for the...\$12,700 for the '87-88, and \$9,800 for '88-89. I would move the adoption of...of the amendment.

SPEAKER BARRETT: Discussion on the committee amendments? Any discussion? Seeing none, those in favor of the adoption of the amendments, please vote aye, opposed nay. Have you all voted? Record.

CLERK: 25 ayes, 0 nays on adoption of the committee amendments, Mr. President.

SPEAKER BARRETT: The committee amendments are adopted. Senator Warner.
